Acceptance to a KLC Fellowship

Dear Tibor Famin,

We are delighted to formally welcome you as an Associate Fellow of the Kirby Laing Centre. Warm congratulations on your appointment.

Many thanks for filling in the form and for being associated with us in this way.

Please note that you will be added to our Fellows' newsletter list; we encourage you also to sign up to our main newsletter too. As you publish or achieve certain things you are encouraged to alert Jordan (jordan@kirbylaingcentre.co.uk) and where possible we will promote and celebrate with you such achievements in the Fellows' newsletter.

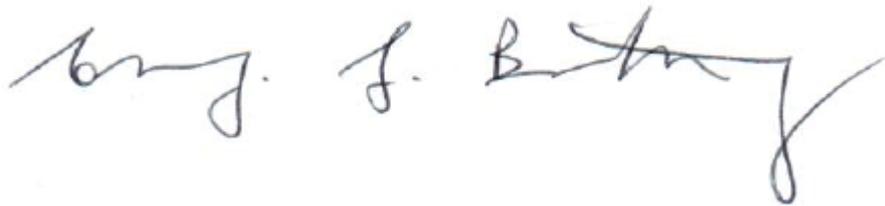

Our aim at KLC is not to add to already full lives – rather to support you in them – but we do want to benefit from your work and to be in community with you as time allows. We encourage you to explore [our website](#), to stay abreast with all that is going on, to [write for us as desired](#), to consider joining or starting a [research hub](#), to alert us with brief notices to great books and articles you are discovering in your area, etc.

In my view one of the most important and best things we do is our prayer hour each month at 4pm UK time on the first Thursday of each month. Hugo prepares a liturgy for us, we pray for KLC and the needs of the world, and we share in a *lectio divina* and time of silence. This is a way in which we seek to ground our work in deep spirituality. You are always welcome to join us and can [sign up on our website](#) to receive the zoom link each month.

We would also be most grateful if you alert your family, colleagues, friends and students to our work and our publications including our Substack ([which you can find here](#)). You are also welcome to encourage friends and colleagues to consider becoming Associate Fellows.

Do please feel a most welcome part of our community!

In Christ
