Chapter 20

20.1. The Book of Orestes, Mysticism: Luther's Theologia

In the Book of Orestes, mysticism and theology are intertwined. The text explores the concept of the soul's journey towards understanding the divine. Luther's interpretations of the book are deeply personal and reflect his own spiritual experiences. The discussion is rich with insights into the nature of faith and the quest for knowledge.

20.2 Ode of Experience of the H avoidness of God

The Ode of Experience of the H avoidness of God is a poem by William Wordsworth. It explores the feeling of the absence of God in nature and the confusion of faith. The poem is a reflection on the experiences of human beings in the natural world, where the presence of God is felt but not clearly defined.

The opening lines of the poem read: "Look on your country, on your countrymen, and on yourselves, and you will see, in your own experience, the mighty presence of God in the world of nature." The poem goes on to describe the various aspects of nature, such as the stars, the moon, and the seasons, and how they are all interconnected and part of the divine order.

The Ode of Experience of the H avoidness of God is a classic example of nature poetry and is widely regarded as one of Wordsworth's most important works. It has been translated into many languages and is studied in schools and universities around the world.
